Subject: FL 404 Permitting Assumption

Good afternoon,

I am writing to implore that the 404 permitting assumption should not be turned over to the State of Florida. Giving the State of FL assumption will directly cater to developers, put precious water resources, wildlife habitat, and ecosystems at risk, and does not entail environmental protection. Please reverse the 404 permitting process, and respect the agreements with the Miccosukee and Seminole Tribes of Florida. Federal law requires engaging with tribes in formal consultation in matters of land sovereignty.

Sincerely,

Ex. 6 Personal Privacy (PP)
